The Marker was a recepted, at his old office. As esciusive branch of medicine only attapded to

File Marker was a medicine on the party of the discusses of woman; one hundreth edition, (600,000); 12 mo; pp. 330; on fine paper, extra binding; price of livery complaint to which a woman is subject, freez girthout to womanbood, and also as wife and as methor, are fully described, with the causes, the symptoms, and also the proper mode of treatment, he plain, simple, but the he most chaste language, easily understood. And thus every woman can discover by comparing her own symptoms with these described, the nature, character, and causes of her complaint, and be spared much anxiety and suffering. The wife about becoming a mother has often need of instruction and advise of the utmost importance to her future health, in respect to which her sensitivems forbids committing a medical gentleman, will find much instruction and advise, and also explanations of many symptoms which otherwise would occasion much anxiety or alarm. How many are suffering from obstructions or irregularities possible to the formale system, which undermine the health, of the effects of which they are ignorant, and which their delicacy forbids seeding medicals advice? How many suffer from prolupius uteri, (falling of the womb,) or from finer elbids seeding medicals advice? How many are in constant agony for many mentics preceding confinement? How many have different, to be find dangerous deliveries, and show many have different, to be find any groups deliveries, and show many have different, to be find the mine and to be received of the unfared to the offerent, to be financial to be received of as they are of a nature strict? Intended for the marked of those provention, amelioration, and relied. How many be derived or those contemplating offerent hereign deliveries, and sh
